

# ISO 9001:2015 and AS9100 Rev. D Auditor Transition Training

*Coast Bellevue Hotel, September 12, 2017 (8:00am – 5:00pm)*

---

## Course Overview

This course is designed for experienced auditors who will be performing internal and/or supplier audits (first and/or second party audits) to the ISO 9001:2015 and/or AS9100 Rev D standards. This course will help experienced auditors develop the skills necessary to audit against the new ISO 9001:2015 and AS9100 rev D requirements. An emphasis will be placed on concepts that are difficult to audit, including: new requirements that are less prescriptive, requirements that do not need procedures and records, risk-based thinking, and knowledge management.

## How You Will Benefit

After completing this training course, you will be able to:

- *Identify the differences between the current and new standards and how this will impact your approach to performing audits*
- *Adapt your auditing technique to accommodate the new and amended requirements in the ISO 9001:2015 and AS9100D standards*
- *Identify the specific requirements and appropriate evidence associated with the increased focus on process management*
- *Identify the implications of the removal of the requirements for procedures and records*
- *Audit against ISO 9001:2015 and/or AS9100D requirements that are less prescriptive and where audit evidence may be difficult to obtain*
- *Audit requirements that are more strategic in nature, such as top management leadership and commitment, organization context, risk management and organizational knowledge*
