

# Lean Six Sigma Black Belt and Green Belt Training

*A Washington State Funded Program*

*Commencing January 2022*

This training program is for company's that want to improve customer satisfaction and dramatically reduce scrap, rework, defects, delays, and other forms of waste in their operations.

To minimize time away from the workplace, these instructor led, online training programs will be presented in a series of half-day training sessions over a six-month timeframe.

Thanks to a Washington state funding grant, the total cost for the 90-hour duration Green Belt training program is \$495 per person.

The total cost for the 144-hour duration Black Belt program is \$795 per person.

This is a discount of 80% from the regular cost for these training programs.

**Please note:** this cost includes all workbooks, templates and data sets, as well as support to assist Green Belt and Black Belt trainees to complete a company approved Lean Six Sigma improvement project for their organization.
