

ISO 9001:2015/AS9100D

Instructor-Led, Online Internal Auditor Training

September 8th, 9th, 10th and 13th, 14th, 2021.

Course Outline:

To successfully implement and maintain a Quality Management System a company must have an Internal Audit process and use trained auditors to perform the audits. Internal auditors are also a key element in quality system improvement. This workshop will be presented in a series of five instructor-led, online training sessions and teaches auditing to both the ISO 9001:2015 and AS9100D standards (**the AS9100D standard includes ISO 9001:2015 in its entirety**) and places a strong emphasis on promoting employee participation in the improvement process.

How You Will Benefit:

By the end of this workshop, you will be able to:

- *Describe the goals and benefits of an internal audit*
- *Determine the requirements and plan an ISO 9001:2015 and/or AS9100 Rev D internal audit*
- *Develop an ISO 9001:2015 and/or AS9100 Rev D internal audit guide list*
- *Perform an internal audit, including how to:*
 - *audit against ISO 9001:2015 and/or AS9100 Rev D requirements that are less prescriptive and where audit evidence may be difficult to obtain*
 - *audit requirements that are more strategic in nature, such as top management leadership and commitment, organization context, risk management and organizational knowledge*
- *Identify nonconformity to requirements during an audit*
- *Report on an audit and follow up on corrective actions taken in response to audit findings*
- *Describe the actions necessary for maintaining a successful and compliant audit program*

Who Should Attend:

People tasked with performing internal audits to the ISO 9001:2015 and/or AS9100D Standards.

Course Prerequisites:

A basic understanding of ISO 9001:2015 and/or AS9100D and your company's Quality Management System would be beneficial but not essential to attend this course. A computer with Internet capabilities is required.
